18th MILITARY POLICE BRIGADE

HASTY RISK MANAGEMENT CARD

1. **Identify the hazard**
2. **Assess the hazard**
3. **Develop controls/make decisions**
4. **Implement controls**
5. **Supervise and evaluate**

"Risk Assessment is most effective as a dynamic—living-discipline; practiced during the execution of operations. Risk Assessment is the art of leaders caring for Soldiers and the mission!"

—COL Jim Brown VIGILANT 6

18th MILITARY POLICE BRIGADE
